

Temecula Valley High School Golden Valley Regiment

Dear Community Member,

On behalf of the Temecula Valley High School Golden Valley Regiment, we are seeking donations for our 2017—2018 school year. To continue to represent the Temecula Valley High School at football games, tournaments and community events, our program requires funds beyond the budget of the school district. Support from local businesses is vital to the continued success of the program. We use donation money to repair instruments, pay for music and coaching, transportation, and all other operational expenses required to move our students around Southern California for competitions. Your company may help by making a private donation, including goods and/or services.

We also offer the opportunity to advertise your business on the back of our t-shirts, which are worn by students, parents and family members at all events we participate in. This is an excellent opportunity for us to advertise your business for you; not only in the City of Temecula, but everywhere we travel to throughout California.

We are a 501(c)(3) non-profit organization. Donations made to our program may be tax deductible (see your accountant for details) and would be greatly appreciated. Thank you for your time and consideration.

Sincerely,

Syndi Reale
