Uniform Care, Storage & Transport

The TVHS/TVUSD owned uniform you have been issued is valued at over $950.00 We trust that you will treat your uniform with respect, and keep it free from damage. Any part of the uniform garment that is destroyed or damaged in any way must be replaced by the student to whom the uniform is issued.

Vests (also called jackets) and bib overalls (bibbers) are to remain in the provided garment bag at all times during transport and storage at home. All uniform pieces should be carefully hung onto the provided hangers and placed neatly in the garment bag.

* **Overalls** (bibbers) These do not need to be cleaned after every use. If you feel they need to be laundered please use cold water and a gentle cycle and wash without any other items. Hang to air dry and then iron gently to crease the cuffs and the front of the pant leg. Additionally please take care to keep the pant legs snapped in place, when taking bibs on and off. Fold the pants neatly in half, and hang on the bar portion of the provided wooden hanger when in the garment bag.

* **Gold, dri-fit shirt (Worn for football games)**: These need to be washed after each use. Students are responsible to take home the gold shirt after every football game, wash it according to the sewn-in washing instructions. This gold shirt may be stored in the garment bag - it is the **ONLY** uniform piece that is allowed to be tossed into the bottom of the bag.

***Gray/Striped dress shirt (Worn for competitions):** These need to be washed after each use. The students are responsible to take home the dress shirt after every competition, wash it according to the sewn-in washing instructions. ***Hip Drop (Gold) and Hip Skirt (Gray):** When not in use, the Gray Hip Skirt and the Gold Hip Drop must be stored by placing the velcro portions together and then hanging in the garment bag using the clips on the squeeze hanger.

* **Visors, and visor wraps and gauntlets** are marked with student names and stored in bulk in the uniform room. These will be available at the football games and competitions once students are in uniform for retrieval from the parent volunteers.

***Gloves** may be stored in the garment bag. Gloves may be washed, but **MUST BE AIR DRIED**.

***Shoes** should be stored/transported in the back, zippered pocket of the garment bag. Shoes can be cleaned with a damp cloth, then wiped dry.

Protocol in Uniform:

NO eating, drinking (other than water), gum chewing, cursing, running, horseplay, or public displays of affection in uniform. Always travel in groups of two or more when in uniform. We are part of a team of musicians, and as part of a team, we enjoy the luxury of never having to walk alone.
